

Emission Control Interface (ECI)

Emissions Scaling Component

Region label	Stream label	Emission variable	CMAQ species	Phase/ Mode	Scale factor	Basis	Op
--------------	---------------------	-------------------	--------------	-------------	--------------	-------	----

Region Component

Region label	File label	Target variable
--------------	-------------------	-----------------

Aerosol Size Distribution Component	Stream label	Distribution label	Distribution reference
-------------------------------------	---------------------	--------------------	------------------------

Family Component

Stream family name	Family members
Region family name	Family members
Chemical family name	Family members
