Fish Biomass Stock

- Fish birth
- Fish natural death
- Fish recruit
- Fishing mortality
- Reference fishing mortality
- Fish yield

Accumulated Fish Yield

- Reference natural mortality
- Water pollution effect
- Total Yangtze wastewater emissions
- Total shipping policy effect
- Test fishing mortality

Factors affecting Fish Biomass Stock:
- Total reservoir capacity
- Ship cargo volume
- Vessel navigation effect
- River fragmentation effect
- Fish birth rate
- Reference fish birth rate

Factors affecting Fish Yield:
- Water pollution effect
- Total Yangtze wastewater emissions
