To my best knowledge our paper "Numerical Solution of Multiscale Problems in Atmospheric Modeling" has not been published in 2011; opposed to our anticipation. Thus the publication year of this article should be changed to 2012. If it is of help, the corrected BibTex entry should read:

```
@inproceedings{Schlegel2011, author = {Martin Schlegel and Oswald Knoth and Ralf Wolke and Martin Arnold}, title = {{Numerical Solution of Multiscale Problems in Atmospheric Modeling}}, journal="APNUM", note = {{accepted for Proc. of NUMDIFF-12, 2009}}, year = {2012} }
```

Thank you. Martin Schlegel
