

Interactive comment on “High resolution air quality simulation over Europe with the chemistry transport model CHIMERE” by E. Terrenoire et al.

I. Rutt

i.c.rutt@swansea.ac.uk

Received and published: 4 September 2013

On behalf of the Executive Editors of GMD, could I please request that the final version of the paper incorporates the version number of CHIMERE into the title? This not strictly required for a Model Evaluation paper, but it will make it clearer which version of the model is being tested.

For example: "High resolution air quality simulation over Europe with the chemistry transport model CHIMERE (v.NN)"

Many thanks.
