Received and published: 4 September 2013

This is a comment on behalf of the Executive Editors of GMD.

Please could you incorporate the version number of PLASIM-ENTSem being described into the title of the paper? This is a requirement for Model Description papers, and is needed to allow versions and revisions of model code to be kept track of.

A suitable title might be "PLASIM-ENTSem v.1.0: a spatio-temporal emulator of future climate change for impacts assessment"

For more information, see the GMD Editorial: <http://www.geosci-model-dev.net/6/1233/2013/gmd-6-1233-2013.pdf>
