

Interactive comment on “Enhancing the representation of subgrid land surface characteristics in land surface models” by Y. Ke et al.

M.-H. Lo (Editor)

minhuilo@ntu.edu.tw

Received and published: 4 July 2013

Dear Authors,

After reviewing the submission of your answers to the 3 referees' comments, I would like to encourage the authors to submit a revised manuscript, making the clarifications requested by all referees, for publication in GMD.

Also, please clearly address the issue of the computational burden as well as avoiding the repetitions in the revised manuscript.
