

Dear Editor,

Thank you very much for processing our manuscript. Only very tiny changes has been made in the attached manuscript and its supplement, and changes are in red characters.

Changes are listed as follows.

In the manuscript:

Authors' full names were added. The corresponding author's email was changed to 'anxq@camsma.cn'.

In the 'Acknowledgements section', the supported programs were changed to ' This study was supported by the National Natural Science Foundation of China [41575151], [the National Science-technology Support Program \[2014BAC16B03\]](#), ...'

In the supplement:

Authors' full names were added. The corresponding author's email was changed to 'anxq@camsma.cn'.

Thank you again.

Sincerely yours,

Shixian Zhai
