Received and published: 29 June 2015

Dear Editor and Reviewers,

Please find attached as a supplement to this comment the revised manuscript including the model version number in the title and a statement as to the availability of the code. We are sorry for the delay of this correction, due to IUGG attendance. Please consider this revised manuscript and not the one attached to the Authors' comment of June 15, 2015.

With best regards, The Authors

C1256
