Dear Dan Lunt, Thank you for bringing our attention to the editorial of GMD. Below is a point-to-point response to your comments:

COMMENT 1: “– All papers must include a section at the end of the paper entitled “Code availability”. In this section, instructions for obtaining the code (e.g. from a supplement, or from a website) should be included; alternatively, contact information should be given where the code can be obtained on request, or the reasons why the code is not available should be clearly stated. ”

RESPONSE 1: The revised version will contain the section below entitled “Code avail-
