Interactive comment on "Simulating the thermal regime and thaw processes of ice-rich permafrost ground with the land-surface model CryoGrid 3" by S. Westermann et al.

S. Westermann et al.

sebastian.westermann@geo.uio.no

Received and published: 26 November 2015

We are grateful for this comment and apologize for our omission. In the revised version, we have inserted a Section "Code availability" after the Conclusion section. Furthermore, the model code has been attached as a zip-folder in a Supplement to the revised version of the manuscript.

On behalf of all authors, Sebastian Westermann
