Received and published: 14 May 2015

We thank the editor for his comments. In response, we have:

- 1) added a version number for simpleGAMMA to the title of the revised manuscript
- 2) modified the language in the “Code Availability” section of the manuscript to make it clear that more information is available at [mccneill-lab.org/gamma](http://mccneill-lab.org/gamma) and the code can be obtained by contacting V. Faye McNeill at [vfm2103@columbia.edu](mailto:vfm2103@columbia.edu)

We will also provide a version of the code for the reviewers and editor.
