Interactive comment on “simpleGAMMA – a reduced model of secondary organic aerosol formation in the aqueous aerosol phase (aaSOA)” by J. L. Woo and V. F. McNeill

J. L. Woo and V. F. McNeill

vfmcneill@columbia.edu

Received and published: 14 May 2015

We thank the editor for his comments. In response, we have:

- 1) added a version number for simpleGAMMA to the title of the revised manuscript
- 2) modified the language in the “Code Availability” section of the manuscript to make it clear that more information is available at mcneill-lab.org/gamma and the code can be obtained by contacting V. Faye McNeill at vfm2103@columbia.edu

We will also provide a version of the code for the reviewers and editor.
