Dear Dr. Elvidge,

thank you for your reply from 9 August 2016. As proposed we have send you the list of countries and the time period of interest. We have received the temporal profiles of the flaring sites from your working group. Thanks to Dr. Mikhail Zhizhin for the data processing and the kind support. We have completely revised the manuscript and the source code according to the new data. Thank you for calling our attention to the limitations of the "VIIRS Flares Only" product.

Kind regards

Konrad Deetz and Bernhard Vogel
