

Interactive comment on “Historical greenhouse gas concentrations” by Malte Meinshausen et al.

Malte Meinshausen et al.

malte.meinshausen@unimelb.edu.au

Received and published: 29 November 2016

Given the naming convention for this Special Issue, we propose to change the title to:
"Historical greenhouse gas concentrations for climate modelling (CMIP6)"

Interactive comment on Geosci. Model Dev. Discuss., doi:10.5194/gmd-2016-169, 2016.
