Dear Dr Poulet,

Please find attached the revised manuscript entitled " COASTAL MODELLING ENVIRONMENT VERSION 1.0: A FRAMEWORK FOR INTEGRATING LANDFORM-SPECIFIC COMPONENT MODELS IN ORDER TO SIMULATE DECADAL TO CENTENNIAL MORPHOLOGICAL CHANGES ON COMPLEX COASTS " (ref: gmd-2016-264) with the minor revisions described below.

The readability of figure 13 has been improved by making the arrows more visible and improving the figure caption.

Should you need to contact me, please use the address indicated above.

Yours faithfully,

Andres Payo.
