

Interactive comment on “Simulating ectomycorrhiza in boreal forests: implementing ectomycorrhizal fungi model MYCOFON into CoupModel (V5)” by Hongxing He et al.

Hongxing He et al.

hongxing.he@gvc.gu.se

Received and published: 7 October 2017

We welcome the comments made by the two referees for our discussion paper. Both referees mentioned the language problem. We feel sorry about that and we are now sending this paper for language editing by Copernicus Publications. We believe an updated version with improved English would be available soon.

Interactive comment on Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2017-170>, 2017.
