Received and published: 2 November 2017

The ACRANEB2 dwarf listed in table 1 is restricted to longwave computations, described by Geleyn et al. (2017), doi:10.1002/qj.3006. Citation of Mašek et al. (2016) on page 18, line 1 deals with shortwave computations and should be replaced by the above.

Interactive comment on Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2017-186>, 2017.
