

Interactive comment on “Improved representation of groundwater at a regional scale – coupling of mesocale Hydrologic Model (mHM) with OpeneGeoSys (OGS)” by Miao Jing et al.

Miao Jing et al.

miao.jing@ufz.de

Received and published: 26 September 2017

There is a spelling error in the title: "OpeneGeoSys" should be corrected as "Open-GeoSys".

Interactive comment on Geosci. Model Dev. Discuss., https://doi.org/10.5194/gmd-2017-231, 2017.
