Received and published: 12 May 2018

We would like to thank both referees for their constructive comments. Please find our responses in a form of supplement as a zip file. The zip file contains two pdf files. The first one, "replies_and_revised_paper_with_track_changes.pdf", contains our replies for both referees and the revised manuscript document that includes track changes. The second file, "revised_paper.pdf", is the revised manuscript document but without track changes.

Please also note the supplement to this comment:
