Dear Topical Editor and Editorial Support, thank you very much for our manuscript acceptance for final publication in GMD. Two misprints were fixed after our last submission (18 Aug 2018, see latexdiff below).

Please note that our affiliation had been changed (new organization had been added, see latexdiff below) as well as "Acknowledgments" section due to the fact that new researches were carried out for the publication after its initial submission (17 Nov 2017) .
