Received and published: 8 August 2017

Dear Astrid Kerkweg,

Thank you for your short comment. In agreement with GMD requirements, we have changed the title of the paper to:

"Improvements to the WRF-Chem 3.5.1 model for quasi-hemispheric simulations of aerosols and ozone in the Arctic"

We have also replaced "WRF-Chem" by "WRF-Chem 3.5.1" in several places elsewhere in the text.

Louis Marelle
