Interactive comment on "Modeling Error Learning based Post-Processor Framework for Hydrologic Models Accuracy Improvement" *by* Rui Wu et al.

A. Kerkweg

kerkweg@uni-bonn.de

Dear Rui Wu,

thanks for adding the required information to your manuscript!

However, it would be good to include the references where to download the hydrological models in the "Code and Data availability" section. Here you only cite Wu (2018), which is somehow confusing (at least also refer to Sect. 4, better provide the web-links).

Regards,
Astrid Kerkweg
