Received and published: 15 November 2018

Dear Editor and referees, we like to thank the referees and editor for the time spend on reviewing this manuscript and for the many very helpful comments they provided. We think the referee comments have helped us to substantially improve the presentation of this work. In the attached pdf-file we give a point-to-point response to all referee comments, hoping the revised manuscript has now been improved in clarity and is ready for publication.
