

## ***Interactive comment on* “Stochastic perturbations for parametrisation tendencies in a convection-permitting ensemble” by Clemens Wastl et al.**

**C. Wastl**

clemens.wastl@zamg.ac.at

Received and published: 29 October 2018

Dear Editor,

thank you for your comment. The title will be changed in the revised manuscript (including the acronym pSPPT) accordingly to the comment of RC1.

Yours, Clemens Wastl
