We appreciate the time taken by the reviewer for the careful and thorough reading of this manuscript and for considering the remarks of the first reviewer. The additional clarifications and constructive suggestions will certainly help to improve the quality of our manuscript. The comments have been carefully considered and responded. Please see the attachment to find our response to each comment below.

Once again, we would like to thank the reviewer for the time invested to review our paper so carefully and we are looking forward to meeting the expectations.

C1

Best regards, On behalf of the co-authors,

Patricio Velasquez
