Dear authors,

in my role as Executive editor of GMD, I would like to bring to your attention our Editorial version 1.2:

<https://www.geosci-model-dev.net/12/2215/2019/>

This highlights some requirements of papers published in GMD, which is also available on the GMD website in the ‘Manuscript Types’ section:

http://www.geoscientific-model-development.net/submission/manuscript_types.html

In particular, please note that for your paper, the following requirement has not been

met in the Discussions paper:

- "The main paper must give the model name and version number (or other unique identifier) in the title."

Please add a version number and the name / acronym of the light-use-efficiency model to the title, e.g.: Short-term forecasting of regional biospheric CO₂ fluxes in Europe using a light-use-efficiency model (VPRM vX.Y).

Yours,

Astrid Kerkweg
