This comment lists some typographical errors which have been drawn to my attention:

- (1) The name of the last author should be Sénési, not Sénésis;
- (2) Livermore (institution 3 in the author list) is in "CA", not "DA";
- (3) Third author is "Paul J. Durack" (initial is missing in discussion paper);
- (4) Experiment count to be updated to 295;
