Dear Editor,

Thanks for your feedback on the article. We are aware of the requirement for a unique identifier of the software described in the paper. As a result, we have deposited our software in the Zenodo repository, obtaining a persistent DOI. This is the DOI of the software version (downscaleR v1.3.0) used in this article:

<https://doi.org/10.5281/zenodo.3277316>

We will include this information in the new revised version of the manuscript. Also, the
