Interactive comment on “The Sailor diagram. An extension of Taylor’s diagram to two-dimensional vector data” by Jon Sáenz et al.

Jon Sáenz et al.

jon.saenz@ehu.es

Received and published: 13 January 2020

This could be a different figure for right panel in Figure 4, but we prefer to keep the current version

Interactive comment on Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2019-289>,
2019.
