Received and published: 23 January 2020

We would like to revise the Acknowledgement section to highlight the support and funding from ESA contract. The revised texts are as follows:

This work was mainly conducted and funded in the frame of the ESA project No.4000120184/17/NL/FF/mg. It also received support and funding from the TRACE Industrial Chair (UVSQ / CEA / CNRS / Thales Alenia Space / TOTAL / SUEZ) ANR-17-CHIN-0004 funded by the program “Chaires Industrielles 2017” of ANR. We would like to thank Bernard Pinty for providing the vision of a CO₂ Monitoring and Verification Support (MVS) Capacity within the framework of the EU's Copernicus Programme.
