

Response to Editor

Dear Carlos Sierra,

we would like to thank you for your positive assessment of our manuscript and your detailed recommendation for further improvements. Following your advise, we added a road map to the manuscript at the end of the introduction (l. 90 to 104). We provide a short summary of the different Sections and added recommendations on which are worth reading for the different audiences we are targeting. We are optimistic that these modifications satisfy your requirements.

We would like to thank you for your time and effort handling our manuscript.

Best regards,

Stephan Thober
