

Author's response #3

Repeatable high-resolution statistical downscaling through deep learning

Dánnell Quesada-Chacón 

17/08/22

Relevant changes

1. The following abbreviations were expanded throughout the manuscript:
 - EOM → Eastern Ore Mountains, but kept within Figure 1 with an explanation on the caption.
 - SD → statistical downscaling
 - DL → deep learning
 - TF → transfer function
2. Separating commas were added in numbers above a million.
3. "d" was changed to "day" in Table 2.
4. The reviewers were acknowledged, also on behalf of the editor.
