

Dear Editor,

thanks for accepting the manuscript “as is”!

Best regards, Astrid Kerkweg

Dear production office team,

No further replies are required, as the manuscript was accepted “as is”.

We removed the colour from the text of the manuscript, as requested by the production office. Anyhow, it is a pity, that this does not work, because we think this makes the description of the manuscript easier to follow (otherwise one reads black text telling the line is blue or similar).

Best regards, Astrid Kerkweg
